

## Warranty

All sales by the Global Power Components are subject to the following terms and conditions as its WARRANTIES.

**Global Power Components** warrants that their products are sold in accordance with the published specifications, and warrants its products against defects in workmanship and materials under normal use and service in conformance with the manufacturer's recommended installation for a period of **twelve (12) MONTHS** from the date of sales as determined by the invoice date of the sale item. All obligations and liabilities under this warranty are limited to repairing or replacing at our option F.O.B. West Allis, Wisconsin of such allegedly defective product provided customer pays shipping charges for return. No liability is accepted for consequential damage or reinstallation labor.

Warranty on accessories furnished by other manufactures shall be limited by that manufacturer's warranty.

If field service, at the request of the customer, is rendered and the fault is found not to be with Global Power Components product, the customer will be liable for the time and expense of the GPC Field Representative. Invoices for service, labor or other expenses incurred by the Customer, or their agents will not be accepted without prior written approval.

The paint finish must be properly maintained when scratches or chips occur during handling and installation to avoid pre mature rusting. Damages to the product during transportation are the responsibility of the customer to file the claim with the transportation company. Pre mature rusting due to the above situation is not covered under this warranty policy.

Warranty does not cover failure resulting from improper installation or use.
